By car:

Join York's Northern Outer Ring Road (A1237). Turn towards the City Centre (southbound) at its junction with the A19. Follow the A19 through traffic lights at Clifton Green and head towards the City Centre. The office is located on Bootham (A19) on the west side, between St. Mary's and Marygate. To access the car park, enter Marygate and take the first right after 100 metres into Galmanhoe Lane. Follow Galmanhoe Lane downhill to the end, onto the block-paved driveway of a residential bungalow, and swing right into the signed HPH car park. The office can then be accessed via the back door.

By train:

(East Coast Main Line. Also from Leeds and Scarborough):

From the railway station turn left and follow the inner ring road. Walk over the river bridge and turn left at traffic lights (with the Minister 250 metres ahead of you) into St. Leonard's Place. At the next junction, with Bootham Bar on the right, turn left into Bootham Cross Marygate, and find number 54 on the left. (Takes about ten minutes to walk.)
