## Why choose us?

- Personal one-to-one service
- Proactive approach
- High quality and value for money
- Knowledge and expertise

## A flexible service to suit you

We can run your complete payroll service on your behalf...

- Calculation of weekly / fortnightly / monthly payroll, including SSP and SMP
- Production of payslips and monthly summaries
- Automated bank payments
- Year end returns online
- Generation of automatic payroll related statutory returns such as P45s, P60s, P14s and P35 Listings
- Administration of construction industry scheme (CIS) returns
- Payroll advice

## Take a break from Payroll

Running a payroll department takes time – time to supervise staff and time to ensure that your systems are in good working order. All of this means time away from achieving results for your business. Why not let us take the burden of payroll off your shoulders to let you concentrate on the running of your core business instead?

## Responding to your needs

We offer a high quality, flexible service that will give you all the benefits of having your own payroll department without any of the headaches.

- We tailor our service to your individual requirements, payrolls of 1 to 100+
- You benefit from our knowledge, experience and resource

We can process information from any source, whether email, fax, letter or amendment by telephone.
